

ALBANY COUNTY FIRE DISTRICT 1

Local Firefighter Red Card Policy

Approved: 7/19/17; Art Sigel, Jon Essley, Joe Witt

Local Firefighter: (Albany Co and Carbon Co/Laramie Co/BLM under the 2017 WFMAOP) A Red Card, or other appropriate local-department qualifying-document (Performance Task Book) will be carried by the firefighter. The State Dept of Forestry or local department will list a work capacity rating of arduous, moderate or light, and appropriate training on red card. This red card or other appropriate document does not have to be signed by the department chief.

This will assist the Chief in determining who is qualified to respond to incidents in either a responder or trainee status, and to what specific tasks the firefighter or trainee will be assigned.
